SUMMARY

I'm a passionate game developer worked on hyper-casual and casual games, as well as prototyping several PC games.

WORK EXPERIENCE

GAME DEVELOPER

Retroket Entertainment
Jul 2021 - Present

- Utilized third party tools extensively in Unity game development.
- Programmed custom tools for the Unity Editor to enhance workflow and productivity.
- Worked on a variety of game types, including 2D, 3D, PC, mobile, and hypercasual.
- Developed skills to work effectively in a fast-paced game development environment.
- Implemented Netcode for Gameobjects to improve multiplayer functionality.
- Worked with Addressables to optimize game asset loading and management.
- Created various manager classes to streamline development processes and improve efficiency.

DENTAL TECHNICIAN INTERN

İstanbul Okmeydanı Ağız ve Diş Sağlığı Hastanesi
2014 - 2016

- Worked in a professional environment, learning the importance of adhering to strict guidelines.
- Worked independently and as part of a team, taking on responsibilities as needed to meet deadlines and ensure patient satisfaction.
- Demonstrated attention to detail and accuracy in all aspects of work.
